

You'll enjoy this 75km journey which should take you under 2 hours as you travel through countryside, taking in a few commanding lake views, a chance to shop at a couple of general stores, and gain a little history along the way. The rally ends where you began.

You are looking for permanent signage, landmarks or structures some of which will take you out of your car to find.

Keep in mind that not all odometers are the same, when you get **close** to the directed distance, slow down (pull over for safety), and start looking.

Familiarize yourself with these codes before you begin:

SA - straight ahead

TR - turn right

TL - turn left

BR - bear right

BL - bear left

DB – double back

You're beginning at Northumberland Mall, 1111 Elgin Street West, Cobourg. To begin, exit the double-pillared main entrance turning left on County Road #2.
