

Discovery Drive Road Rally

updated June2017

This 77km rally should take you approximately 1.5 hrs to complete and will take you high into the Northumberland hills and hamlets. Picturesque views over waterways, aboriginal culture and winding rural roadways are some of the attractions along the way. You'll end with an opportunity to head into town for shopping, eating or an overnight stay.

You are looking for permanent signage or landmarks. Keep in mind that all odometers are not the same; when you get close to the directed distance, slow down and start looking.

When you're done, take the boxed letters from your correct answers (see questions**) to formulate this email address __ __ __ @northumberlandcounty.ca. You'll receive an automatic response with the answers.
