

Fantastic Farms Road Rally - Questions

updated Aug 2017

With over 85 km of rolling roadways, make a point of setting aside at least 2 hours for this rally so you can enjoy views of farmland, old mills, ponds and waterways, hamlets, and a chance to shop in some towns and villages. If you time it right, a meal at the end of your trek will be your reward, or there are a couple of nice places to picnic.

You are looking for permanent signage or landmarks. Keep in mind that all odometers are not the same; when you get close to the directed distance, slow down and start looking.

When you're done, take the boxed letters from your correct answers (see questions**) to formulate this email address ___ _ _ @northumberlandcounty.ca. You'll receive an automatic response with the answers.

Familiarize yourself with these short forms before you begin:
