

# Go Fishing Year-Round

Part of the Trent-Severn Waterway, Northumberland is one of Ontario's most desirable fishing destinations. **(See Map on next page.)**

- Public fishing is available at the Trent-Severn Waterway lock stations and Hastings offers the unique opportunity to fish off the bridge. The Ganaraska River is ideal for fly fishing.
- Try ice fishing for panfish at Rice Lake, and for walleye and pike at Presqu'ile Bay. Ice fishing guides/huts can be found in Bewdley, Gores Landing and Harwood.
